GRADES AS SURVEILLANCE

GRADES AS CONTROL

"A" for all
UNGRADING
collaborative
classroom

CONTROL = MAINTAIN THE

White, neoliberal system:

knowledge

paywalls / BARRIERS in access
to knowledge vs. open access

share "knowledge" openly.

share, not

humanity > money
cite & appropriate

This culture re-enforces competitiveness & division, fear of failure - What if a classroom, a generation, focused on collaboration, ideation, learning & growth.

in my field & therapy

& supervise mentors supervise
and supervisors are rare

free knowledge on mental health
vs. the ethics + effectiveness of
this -

the "I" over the
"We".
my loss over the
collective gain.

FEAR
